All teams in the division must agree any change of dates. It would be helpful if the Secretary and Results Secretary were advised of changes to the fixtures.

Host clubs are reminded to send out confirmatory letter approximately 3 weeks prior to gala detailing date, time of warm up and time of start. It would be helpful if the procedure for the shallow end could also be included and the depth of the water advised.

Host clubs are asked to make use of the electronic results recording system. When used, the results should be submitted to the results secretary on disc.
